

# OBAN MUSIC SOCIETY

## 2023 2024 SEASON MEMBERSHIP

You will have heard by now that the Society is to reopen its membership scheme. This has two advantages, for members it gives them free access to six concerts for the price of four. For the society it allows us to budget with a guaranteed income and is used to support our bid for a grant from Chamber Music Scotland.

There are six subscription concerts, the first being on 14<sup>th</sup> October. You can apply for membership at the door on the first night or you can pay in advance by BACS.

The cost of entry to each concert is £15.

**Membership costs £60**

If you would like to become a member please consider paying in advance by Bank Transfer to:

Membership cards will be available at the door for those who have paid in advance, otherwise if you join on the night you will be given a card then.

It would be very helpful if you could drop me an email to confirm payment in advance,
